In my opinion the figures represent the value of the item for the purpose stated. I assume no responsibility for any action that may be taken on the basis of the appraisal as due to the subjective nature of some jewellery articles, differing retail margins and NZD\$ and USD\$ exchange rate- values can vary considerably. All prices quoted are in NZ dollars including GST. All stones have been assessed in their settings unless otherwise stated, sizes and weights are approximate only and based on standard formulae. All claws, shanks, clasps, settings and overall condition of articles are assumed to be in good sound wearable condition unless otherwise stated. Appraisals are not valid for reselling purposes unless otherwise stated. Standard G.I.A. grading and industry standards are used in valuations.
