Terms of appraisal

The articles described above have been examined and the values given are an impression of our opinion, taking into account our impression of the artistic work. Gemstones have not been removed from settings for assessment, and all grades and weights are approximate and may not be accurate. Whilst all care has been taken in making this appraisal, no liability is accepted other than to the person to whom the certificate is given for any errors or omissions in the certificate, including any liability to any person by reason of negligence. Values expressed in Australian dollars based on current market conditions.
