AN ANTIQUE 18 CARAT GOLD MOSAIC PANEL BRACELET

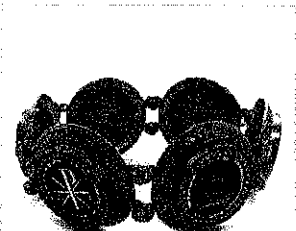

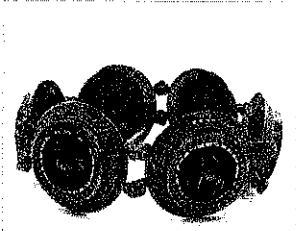

Hand assembled in 18 carat yellow gold
Stamped: Stamps of Italian Origin (Maker Unknown)

The bracelet is assembled with six circular disc panel links, each comprising a micro Mosaic insert in a plain outer bezel and rope and an ornate decorative embossed outer bezel. The links are individually joined with jump rings and petal shaped caps. The bracelet is fitted with a hidden tongue and box clasp. The Mosaic panels depict a Ship, a Rooster, a Lamb, A Christian Christogram comprised of the Greek letters X P A O, A Fish and the Christian religious Cross. The Mosaic panels have a fine finish and are in very good condition. The links measure 24.60-24.80mm in diameter and the Mosaic panels measure 1.50mm in diameter.

Bracelet length: 17.00cm. Total weight: 34.10 grams. Presented in good condition.

Notes: The outer bezels surrounding the Ship and Christian Cross Mosaics are slightly bent.

No new equivalent could be identified in the New Zealand Antique market. As the supply of an equivalent or similar replacement is limited within New Zealand, this presents a valuation risk for insurance replacement as market conditions may change quickly. The Value includes estimated Duties and Taxes to find a replacement Overseas and reflects current market trends.
