This Appraisal-Valuation is determined by using percentage margins for Importers, Wholesalers & Retail levels. The value/s given, we consider a fair value for purpose stated, and are based on an average of the above levels. Profit margins are at the discretion of the Seller and item/s can be a matter of negotiation, and fluctuations in the exchange rate, bullion prices and stone base prices. We accept no liability for variations in valuations.

"This appraisal has been prepared in conformity with generally accepted professional ethics of the National Association of Jewelry Appraisers."
