The articles described above have been examined and the values given are an expression of opinion. Gemstones have not been removed from settings for accurate assessment, all grades and weights are approximate, no testing for enhancement treatment. Whilst all care has been taken in making this valuation, no liability is accepted other than to the person to whom the certificate is given for any errors or omissions in the certificate, including any liability to any person by reason of negligence. This valuation is for insurance purposes and not to be used as a sales tool. Values expressed in Australian dollars based on current market conditions. Due to the fluctuations in market conditions for gemstones and precious metal it is recommended that this certificate be re-appraised every 12 months.
