### GEMMOLOGIST AND JEWELLERY VALUER

- The listed items have been examined and in my opinion the prices given represent the current values of such items for the purpose stated.
- Items are in a good (safe) condition unless otherwise stated.
- This valuation is not valid for resale purposes.
- Gemstones have been measured in their settings and weights calculated by formulas, therefore the weights are approximate.
- This valuation has been completed to the best of my knowledge. Should any aspect cause concern please contact me.
