

\$580.00

Gorgeous old European cut diamond set in 18ct white gold.

Beautiful engraved and filigree classic deco setting.

Diamond is a beautiful icy near colorless stone with visible small carbon inclusions under magnification. It is extremely firey.

Photos taken next to my 1ct modern diamond as size comparison.

Stamped. 18CT. Not clear but has been tested.

Diamond size. 5mm diameter 0.50ct TDW approx. See last photo.

Ring size. 17.4mm internal diameter or closest to size N.

Weight. 1.99 grams

Condition. Vintage good. 2 x claws are short, diamond is secure. 1 x tiny girdle chip to diamond.
