LEGAL DISCLAIMER: This document is intended for insurance purposes only, being an estimate of the cost to replace the article(s) at full retail prices in effect at this date. The information recorded on this appraisal represents our interpretation of results obtained from gemmological and grading techniques designed for this purpose. Any modifications applied to the original piece including but not limited to metal structure and composition alteration, diamond and gemstone (shape, cut, color, clarity, size, hue, saturation, etc.) replacement or alteration will void the appraisal. Jewellery polishing and sizing will not affect the status of this appraisal. Due to the subjective nature of gemmological appraisals, results may vary considerably between appraisers. We have made this evaluation to the best of our knowledge and ability, but can assume no liability for errors attributable to gross negligence, fraud or willful misconduct. This document was generated using the Instappraise appraisal platform.
