\$3,950.00 Retail Market Value

THIS VALUATION REPORT is prepared for the purpose of retail comparison but may also be used to arrange initial insurance cover. It should be personalised & updated for insurance purposes within a year of purchase. This can be arranged by phoning your GemLab agent above.

RETAIL MARKET VALUE = Our opinion of the likely price this new item would sell for, without compulsion or conditions, to a consumer with knowledge of all the relevant facts, in the most common retail market for similar quality new items, and given appropriate marketing & time to effect a sale.

On request an Insurance Valuation can be prepared in the new owners name after sale.

Declaration: GemLab Jewellery Valuers are totally independent and as such have no financial interest in the subject property or bias with respect to any party. Our fees are based on an hourly rate and are not contingent on any outcome.
