NOTE: Insurance Valuations are not valid for reselling purposes. I have examined the articles listed and in my opinion the figures given represent the value of such articles for the purpose stated. All claws and settings have been inspected and are considered satisfactory unless otherwise stated. All precious stones have been assessed in their settings; sizes and weights are based on their physical dimensions.

This valuation has been prepared to the best of my knowledge and expertise. It is to be clearly understood that no liability of any nature will accrue to the Valuer or company in case of a dispute concerning this certificate.

Indemnity Value: Based on asking price for 2nd hand items of equivalent condition and kind. Your insurance company will accept one of the above as requested cover.
