Valuation

Date: 26/04/2019

To whom it may concern:

The following valuation has been done at retail replacement value for:

Description: Yellow gold emerald, diamond and opal doublet dress ring.

Custom, one-off, eleven-stone dress ring with multiple coloured gems.

3x oval rubover settings are made in 9ct yellow gold and each house a 6.5mm x 4.0mm opal doublet.

2x round rubover settings are made in 9ct white gold and each house a 2.8mm round natural emerald.

Surround of 9ct yellow gold plate around central settings form the layer of metal used to punch-set 6x small round brilliant-cut diamonds.

Ring sits 8.6mm at widest point on finger tapering to 4.5mm at base.

Ring sits 4.7mm at highest point from top of finger and tapers to 1.6mm at base.

High shine finish on all metal.

Hallmarked "9ct" inside shank.

Rhodium on white gold settings.

Gemstones:

2 x 2.8m round mine-cut natural emeralds

Strong green

Visibly included

6 x 1.2mm round brilliant-cut diamonds

F/G

S11
