Terms and Conditions:

The retail replacement value of this item is the professional opinion of the assessor, and is based on any lab certificates supplied, information provided by the manufacturer, and researched market value of this item.

The intended use of this report is limited to the current replacement value for a new handmade, comparable item, purchased in a fine Australian retail jewellery establishment, and/or subsequent insurance replacement; any other use renders this report null and void.

This document is for the insurer only, and no third party, or entity may use this report in any manner. It is not intended for resale use.

Every effort has been made to grade the jewellery item described in this valuation as accurately as possible, within the normal and reasonable gemmological ranges.

Lab Created diamond valuations are calculated as a percentage of equivalent earth mined stone.

The condition, measurements, and weight of the diamonds in this item are approximate, since none of the diamonds have been removed from the setting for any identification and grading for this appraisal.

No liability is accepted for any varying opinion, or for any errors and omissions.

Estimated Retail Replacement Value: \$43,000.00 inc. GST
