Retail pricing based on factors of the day including precious metal prices, USD to NZD exchange rates, and an average retail margin.

These factors change over time and it is recommended you have your jewellery re-valued every two years to allow for these changes.

Disclaimer: The item(s) described above have been examined and the figures expressed are of my opinion. All stones have been assessed in the settings, the colours, sizes and grades are estimated within the limitations of the settings, these grades may vary if the stone is examined out of the setting with the owners permission and at their expense. The values here are expressed in New Zealand dollars and include G.S.T of 15%. Whilst all care is taken in the preparation of this valuation no liability is taken other than those of emission. This valuation is not intended for resale and is for the expressed purpose of replacement and insurance cover only.
