LEGAL DISCLAIMER: Any modifications applied to the original piece including but not limited to metal structure and composition alteration, diamond and gemstone (shape, cut, colour, clarity, size, hue, saturation, etc.) replacement or alteration will void this appraisal. Jewellery polishing and sizing will not affect the status of this appraisal. The values set forth herein are an estimate of the average current market price at which the appraised jewellery may be purchased in the average fine jewellery store. The appraised value does not necessarily reflect the price at which a similar item may be purchased at a specific jeweller. This document is intended for resale purposes only, being an estimate of the cost to replace the article(s) at full retail prices (taxes not included) in effect at this date. The information recorded on this appraisal represents our interpretation of results obtained from gemmological instruments and grading techniques designed for this purpose. Due to the subjective nature of gemmological appraisals, results may vary considerably between appraisers. We have completed this identification and evaluation accurately and objectively, to the best of our knowledge and abilities. This document was generated using the Instaportal appraisal platform.
