Not actual sizes

SECONDHAND/INDEMNITY MARKET RETAIL VALUE: \$2,900.00

Please Note: A New Comparison Insurance Value for a new for older ring is \$5,900.00

Note: NCIV allows to replace with a similar new article for this older article of similar quality from the most common NZ retail market.
SH/IMRV: See below. Actual weights and grades may differ from the estimates above. Greater accuracy would require analysis of gemstones out of the mount.

I have examined the articles listed and in my opinion the figures given represent the value of such articles for the purpose stated.

Values are expressed in NZ dollars, inclusive of GST.

All claws and settings have been inspected and are considered satisfactory unless otherwise stated.

All precious stones have been assessed in their settings; sizes and weights are based on their physical dimensions. The apparent grading of diamonds may be influenced by the colour and style of the settings.

This appraisal has been prepared to the best of my knowledge and expertise, should any aspect cause concern please contact me.

NOTE: - Insurance Appraisals are not valid for reselling purposes.
