"Specific use valuation and appraisal report"

Jewellery appraisal and valuation service requested for the use of obtaining insurance on the item presented by S. James Pedersen

Not valid for resale or other uses as these may have different value opinions, see customer agreement on page three.

The Item, appraisal report

One all yellow gold pair of earrings that has been stamped 750 on the back dome.

The earrings have been styled as scooped and ribbed triangles of gold with sprung clip on type clasps.

The overall height is 25.00 mm and the width is 14.85 mm.

These earrings have been handcrafted using a variety of techniques, which include hand assembly, using machine fabricated components.

Condition, appraisal report

These items were most likely made circa 1960, they have been well cared for and are in as new condition. All clasps have been checked and found to be tight and secure at the time of inspection.

VALUATION REPORT with additional comments on page four.

This item has been most likely imported into New Zealand the exact item is not available, however comparable items are available through most New Zealand up market jewellery stores. It has been valued in this market for market value new.

Market value (new) sometimes called **"replacement value"** for a comparable item = **\$1,800.00**

In this case there is some very slight wear and therefore an adjustment has been made to allow for this and to represent the market value of the item, in its current condition.

Market value (in its current condition) sometimes called **"indemnity value"**, present day value or fair value = **\$1,700.00**

Should you require a new and single item to be made as close as possible to the original using modern day techniques, then please use the cost estimate value. As this represents the most likely cost to buy from a retail manufacturing jeweller as a single bespoke piece. Note this value has been arrived at using the cost approach.

"Cost estimate value" \$3,200.00

See pages 2-4 for further details / definitions of values / signed customer agreement and scope of work. This valuation and appraisal should be read in its entirety.

Accredited gems and Jewellery Valuer and Appraiser AiSCV™ AVS-GJV™ (AiV-Reg #0007).
