THIS VALUATION REPORT is prepared for the purpose of retail comparison in the second hand retail market.

RETAIL MARKET VALUE = Our opinion of the likely approximate price this item would sell for, without compulsion or conditions, to a consumer with knowledge of all the relevant facts, in the most common retail market for similar quality, age & condition items, and given appropriate marketing & time to effect a sale.

NEW COMPARISON VALUE = Our opinion of the approx retail market value of a similar quality new item.

On request an Insurance Valuation can be prepared in the new owners name after sale.
