Hi Bettina,

That's a pity. Is a very good copy for Partridge to not notice!

Yes may as well hold onto it and try sell for us.

Hello Josh

I have got the wrist watch accessed by another watch dealer and it is a copy – it has a Seiko movement in it made in Japan

Again I apologize for this happening

I will get our accountant to send in an invoice for return of payment

Would you like me to still auction the watch for you I will get something for it – or would you like me to send it back?

Kind Regards,

Bettina Frith
